### Basic PDU Series

#### PDUeX-AB-16A-08H

**PDUeX Basic PDU** is fine and reliable power distribution unit provides a simple solution where reliable power distribution for equipment racks and other data center applications is needed. PDUeX Basic PDU can work as stand alone PDU or work together with **PDUeX Cabinet Power Monitor** to convert into a remote monitor PDU.

**PDUeX-AB-16A-08H** can be upgraded to an intelligent PDU by adding **PDUeX-CPM (Cabinet Monitor)**. PDUeX-CPM support up to 8 PDU's.

The PDUeX Cabinet Monitor is hot swappable, can connected to the PDU at later date while PDU's are in use with no interruption to power.
